

## CAROLINAS HOSPITAL SYSTEM AWARDED THREE-YEAR CARF ACCREDITATION

Carolinashospital.com is pleased to announce another three-year accreditation awarded by CARF – The Commission on Accreditation of Rehabilitation Facilities for the following programs:

### **Medical Rehabilitation Programs:**

- ❑ Inpatient Rehabilitation Programs – Hospital (Adults, Children and Adolescents)
- ❑ Outpatient Medical Rehabilitation Programs – Multiple Service (Adults, Children and Adolescents)
- ❑ Outpatient Medical Rehabilitation Programs – Single Service (Adults, Children and Adolescents)

### **Occupational Rehabilitation Programs:**

- ❑ General Occupational Rehabilitation Programs (Adults)
- ❑ Comprehensive Occupational Rehabilitation Programs (Adults)

Representing the highest level of accreditation achievable, this marks the fifth consecutive time a three-year accreditation has been awarded to Carolinashospital.com System by CARF, the nation’s leading accreditation authority in the fields of medical rehabilitation, behavioral health, and employment and community support services. The accreditation results are from findings during CARF’s recent on-site survey.

“CARF is the premiere accrediting body for rehabilitation programs and this achievement means that Carolinashospital.com System meets the highest standards of the best rehabilitation programs in the United States and Canada. It is a pleasure to be involved with a program that has such a great history in the Pee Dee Region,” said Andy Whitener, Administrator of Carolinashospital.com Rehabilitation Hospital.

“This prestigious distinction ranks us with the best outpatient rehabilitation facilities in the country. It is truly an honor to achieve this recognition which is indicative of our staff’s commitment to the quality of care provided to our patients. Our compassionate and individualized care contributes to our goal to obtain the best outcomes achievable and to exceed our patients’ expectations,” said Philip Verjans, RPT, and Director of Carolinashospital.com System’s Outpatient Rehabilitation Center.
